PROJECTS

Portfolio Website [🔗](#)
It's Show About my education , 5+ projects and contact details.

Multy page Traveling websites [🔗](#)
It is a Simple but User-friendly Website.
Where users can navigate to different locations and find accommodation and Hotels.

Parallax Effect Website [🔗](#)
Parallax scrolling is a web design technique in which the website background moves at a slower pace than the foreground. This results in a 3D effect as visitors scroll down the site, adding a sense of depth and creating a more immersive browsing experience.
